A Successful Supper

A large number of towns people attended the Thanks of Wednesday of the decease giving Supper and Concert at of Elmer Hern, at Vancouver the Beautyland Schoolhouse on Island, B.C. Death took place Friday last. The supper, which on Tuesday morning. The rewas held under the auspices of mains are expected to arrive or the Bindloss Woman's Institute to-night's train for burnal here was a very successsul affair. There was an abundance of chicken, salads, vegetables and other good things provided. The manner in which these delicacies were prepared gave excellent testimony of the culipary abilities of the ladies.

The repast was followed by concert, each number being part were the Misses McMillan, here Miss Perdita York, Capt. and Mrs. Taylor, Mr. Lindenfield and Mr. Eastaway.

The weather was stormy and cold and was undoubtedly re-sponsible for many who had intended being present staying away. However, despite the weather drawback, the crowd was a very large and congenial

They may not tion concerning same before disposing of cattle hides and certainly got a whole lot of experience-

Vote "Yes" for the Referendum!

A vote "yes" is a vote for Provincial control in reference to sale and importation of intoxicating liquors.

A vote "yes" is a vote to enable effective administration gainst the fake-prescription nuisance.

A vote "'yes" is a vote for closed boundaries against im-ortation of intoxicating liquors for beverage purposes.

A vote "yes" is to make boot-legging a far more difficult thing than it is at present. A vote "yes" is a vote against the Export Houses in any

A vote "yes" is a vote against the stocking of cellars. Rich and poor should share alike.

A vote "yes" is a vote against family drinking before the children in the home. At present the home is the only legal-drinking place in most provinces of Canada. Cast your ballots for a sober Alberta.

Forget that personal liberty dope. Think of the defence-less women and children who suffer.

Make the majority overwhelming and settle the question or this generation. We want no more referendums.

Vote Yes! Vote Early October 25

You Throw Away A Real House Every Ten Years !

Did You Ever Think of the House you rent in that way? That the rent you pay to your kindlerd every 10 years, would buy you a Home of Your Own.

Every Ten Years you threw away a home-why throw away another? You don't have to wait ten years to own one? You can start today.

Let us supply you with a home. Pay for it on easy And in due time terms. it becomes your own.

If you feel that you can't afford to buy a home at present, buy a lot with a third payment down, pay for it in instalments, and when it is fully paid for, it is an easy matter having an home built on it.

WHY EXPEDIMENT?

WHY EXPERIMENT?

Food scientists claim that the leavener is largely responsible for the flavor, texture and wholesomeness of your home baking. That on no other one ingredient does so much depend. It is important, therefore, to use a baking powder that you know possesses the necessary leavening qualities.

MAGIC BAKING POWDER

Contains No Alum

and is the only strictly high class baking powder in Canada selling at a moderate price. Its repu-tation is built on purity and highest quality.

The only well known medium priced baking powder made in Canada that does not contain alum and that has all its ingredients plainly stated on the label.

Made in Canada

The Demand for Uniformity

In this very practical age there is a widespread demand for the ado tion of uniform methods in business, uniform systems of currency and tion of uniform methods in business, uniform systems of currency and weights and measures uniform has in relation to many subjects, even a uniform language, and some people would have a uniform and simplified carlendar, a uniform clurch, while the extremists in the ranks of habyr would have all men and women become servants of the state, with no private ownership of property. In a word, there is a growing tendency to stamdardize everything that can be attndardized without giving much thought darange everything that can be standardized without giving much thou to the all-important question whether such standardization would ultimate the prove to be of benefit to the human race.

by prove to be of benefit to the human race. In order to provide for quantity production, standardization is necessary. The war emphasized that truth. Furthermore, standardization makes for economy in manufacture. Hardly, anyone will deay that if i were possible to standardize all makes of agricultural machinery, with all parts interchangeable, it would mean an enormous saving in time, tabo and money. And what is true in regard to implements of agricultural production is really true in many other lines.

parts interchangeable, it would mean an commons awing in time, the cases of contingation, indigestion and money. And what is true in regard to implements of agricultural production is really true in many other lines.

Efforts which have been put forth in recent years in Canada to bring about a larger degree of uniformity in legislation are also along the right line. With a Festival containing the production is required to the production of the production of the production is required to the same subject, the need for uniformity where it is at all possible it on the same subject, the need for uniformity where it is at all possible it was a clear understanding of the law. It is, therefore, gratifying to know that success is stiending the efforts of those who are striving to bring about unform insurance laws, uniform laws governing companies, a uniform day on. The various movements to establish throughout Garada to the production of the law. It is, therefore, gratifying to know that success is stiending the efforts of those who are striving to bring about unform insurance laws, uniform laws governing companies, a uniform day on. The various movements to establish throughout Garada to the production of the laws. It is, therefore, gratifying to know that stream of the laws of the subject of the laws. It is, therefore, gratifying to know that stream of the laws of the subject of the laws. It is the subject of the laws of the subject of the laws of the subject of the laws. It is the subject of the laws of the subject is a water of the laws of the subject of the laws. It is a subject to the laws of the laws

MEAT MARKET

Choicest of Meats

Quality, Service and Courtesy," our motto.

SHARROW LOCAL

Our local sure had one rous-ing special meeting, October 8, regarding the "Slump in Wheat

idea of the amount of criticism it has received it would never have abotished the Wheat Board it never would have done so. The local by unanimous
vote passed a resolution asking
for the return of the Wheat

Board.

The local are sending a buyer into the North country this fall for the purchase of oats. Oats shaped in-previous winter's have been very dirty. We need three cars and the cost will not be much per bushel to have a man inspect them before huving. buying.

Our president, Joe Muza, has our president, Joe anza, nas-been appointed District Captain for the big U.F.A. membership drive in this district. Joe says he is busy appointing his can-vassers, each of whom will canvass half'a township. On No-vember 1 and 2 every-convasser will be on the job, these are the days of the big drive in Alberta,

and before sundown of November 2, every tarmer of this district, will have become a member of a U.F.A. local.

Telephone Blamed For War.

Telephone Blumed Fy War.

An Austrian stateman who keep everylings attended to be everyling attended to be everyling attended to be expended to the control pluy of 1945, has an interesting explanation to offer for the outbreak of the war. "It was the telephone," In says. "Its workings with Berlin and St. Petersburg ruined us. In stead of writing old-fashioned notes, which would have given us time to think, we telephoned—and lost our think, we telephoned—and lost our heads." Haste is destructive everywhere. In diplomacy its effects are perhaps more often fatal than anywhere ehe.—Youth's Companion.
